EARTH
COLLECTION

Eco-Friendly

- Water filtration of all drinking water for staff and guests, using a reverse-osmosis system, so no bottles.
- All cleaning chemicals, as well as shampoo, shower gel and hand-wash are eco-friendly, except laundry.
- We serve organic rice, which helps to fund the protection of Cambodia's national bird, the Giant Ibis.

Solar System

- Solar panels 14.65kWh
- Lithium Batteries 4 x 9kWh/176Ah

Waste-water System

Recycling

- Plastics – Bottles
- Metal - Cans and other materials
- Paper - All cardboard packaging
- Glass - (Beer bottles are reused for our own beer, the rest is ground into sand)
- Cooking oil - Used for Bio Diesel
- Organic waste is composted
